ALL WEATHER LIMITED WARRANTY

This 5-Year All-Weather Limited Warranty (the "All-Weather Warranty") provides additional warranty coverage to the original purchaser on the items listed in Section E2 of the 5-Year Limited Manufacturer's Warranty, which is included in SunSetter Products' owner's manual (the "Manufacturer's Warranty"). Under this All-Weather Warranty, except as specifically set forth herein, SunSetter Products will repair or replace any damaged parts covered by this All-Weather Warranty, regardless of whether the product is defective or whether the damages occurred due to weather conditions, or any other reason, without the prorated coverage set forth in Section E1 in the Manufacturer's Warranty. If the purchaser has purchased an accessories coverage, SunSetter Products will repair or replace any damaged awning accessory (defined as accessory attached to the awning) purchased from this date forward under the same terms as those described above. After the first year, this All-Weather Warranty does not cover any damage to the awning fabric. However, the purchaser may purchase, for any reason, a replacement 9 ft. projection laminated vinyl fabric for \$149.00 (reg. \$359.00) or a 10 ft. 2 in. projection laminated vinyl fabric for \$179.00 (reg. \$399.00) and a replacement 9 ft. projection woven acrylic fabric for \$249.00 (reg. \$599.00) or a 10 ft. 2 in. projection woven acrylic fabric for \$299.00 (reg. \$649.00) or an 11 ft. 8 in. projection woven acrylic fabric for \$349.00 (reg. \$749.00). THE TERMS AND CONDITIONS SET FORTH IN SECTIONS B, D (OTHER THAN D2), F1, F4, F5, F7 AND G OF THE MANUFACTURER'S WARRANTY, WHICH ARE INCORPORATED HEREIN BY REFERENCE, APPLY IN FULL TO THIS ALL-WEATHER WARRANTY. We recommend that the product be installed, maintained, operated, used, and stored in accordance with the instructions contained in the owner's manual and the purchaser must not leave the product open in high winds or let water pool on the fabric.
